

World Fellowship Center COVID Safety Agreement

(as of June 26, 2022– This document is subject to change.)

Each guest, staff member, volunteer, and visitor will help WFC be able to remain open this year by following our protocols to prevent the spread of COVID-19. Note: WFC guidelines are our own. We know they differ from the State of NH and the CDC. You can help us continue to imagine remaining open by agreeing to them while you are here.

All visitors must be fully vaccinated against Covid-19 prior to arrival at WFC, including a booster if applicable. Exceptions for medical reasons may be made in extreme circumstances and one may contact covidsafety@worldfellowship.org to request an exception.

In addition, a negative Covid-19 test result will be required, along with this signed agreement to follow WFC protocols. You may take a rapid antigen test at WFC if you do not have access to either a supervised rapid antigen test within 24 hours or a PCR lab test within 72 hours of arrival. Please note that being in some spaces, either indoors or outdoors, may require wearing a mask covering both nose and mouth (for everyone over two years old) and/or keeping distant.

Basic information is provided below; to see expanded information, please reference the [Covid Safety Operational Plan, Summer 2022](#). We require everyone to agree to the below information and sign this Covid-19 Safety Agreement in addition to the WFC release of liability. Email covidsafety@worldfellowship.org with any questions.

Lodging:

- In all general INDOOR common spaces (i.e. hallways, kitchens, Uphaus or Weller living rooms), everyone must be masked. Guests may only be unmasked when in their room.
- Staff will not enter personal space without emergency cause therefore guests will be required to keep the space tidy. Housekeeping will do a thorough cleaning in between guest stays.
- In all general OUTDOOR common spaces (i.e. Lloyd Lodge Lawn, Waterfront, etc.), people may be unmasked unless within 6 ft of community members in other pods.

Dining:

- For all meals, guests will be seated together by Pod Zone on the porch and dining room (breezeway spaces), with distancing between tables.
- We will strive to provide coffee, tea, and self-serve snack food between meals.

Programming:

- In person programs will be held outdoors as much as possible. When held indoors, participants must be masked.

We ask that everyone:

- **Email covidsafety@worldfellowship.org 72 hrs in advance of arrival with the date of your last vaccination shot.** Have your vaccination records and/or test result available if necessary.
- Every visitor must take either a PCR test within 72 hrs of arrival onsite or a rapid antigen test at a supervised location within 24 hours of arrival. If you are unable to do either of these tests, you will be required to take a rapid antigen test upon arrival at WFC **PRIOR** to entering any buildings. **Please stop at the COVID Safety Table on the porch next to the main entrance before coming to check in at the office.**
- **Always have a mask available to use as needed.**
- **Wash hands frequently** and try not to touch my face, eyes, nose, or mouth.
- **Inform WFC office and/or email covidsafety@worldfellowship.org immediately of any COVID symptoms** which appear while onsite or within 10 days of being onsite.
- **Agree not to spend time indoors in other public spaces without a mask** on or to mingle or visit in bars or restaurants, for example, throughout the time of your WFC stay.
- **Agree to [WFC Protocols](#)** and remove yourself from WFC if unable to abide by community safety requirements.

I agree to comply with World Fellowship Center COVID policies and I acknowledge and fully assume the risk of illness or death related to COVID-19 arising from my being on the premises and hereby RELEASE, WAIVE, DISCHARGE, AND COVENANT NOT TO SUE (on behalf of myself and any minor children for whom I have the capacity to contract) the New Hampshire World Fellowship Center, Inc., trustees, agents, employees and assigns (the "RELEASEES") from any liability related to COVID-19 which might occur as a result of my being on the premises.

Before traveling for your WFC visit, please answer these questions.

If you answer “yes” to any, *please stay home*. Cancellations will be received with full refund.

- Do you currently have, or have you had in the past 48 hours potential symptoms of COVID-19 such as:
 - Fever, or feeling feverish (a temperature over 100 degrees)
 - Respiratory symptoms such as runny nose, nasal congestion, sore throat, cough, or shortness of breath
 - General body symptoms such as muscle aches, chills, and severe fatigue
 - Gastrointestinal symptoms such as nausea, vomiting, or diarrhea
 - Changes in a person’s sense of taste or smell
- Have you taken a medication to lower your temperature?
- Have you had close contact with someone in the prior 10 days who has tested positive for COVID-19? (Note: healthcare workers caring for COVID-19 patients while wearing appropriate protective equipment are exempted.)
- Have you traveled in the prior 10 days internationally (outside of the U.S., except for essential travel to/from Canada) or on a cruise ship?

Initials: _____

We strongly encourage you to take advantage of the opportunity to get vaccinated against COVID-19 when you are eligible.

Thank you!
