

A Summer Vacation to Renew *Your Spirit*

Set amid 452 acres in New Hampshire's White Mountains,

the Center invites people from diverse social, intellectual and cultural backgrounds to share their vacations and ideas in our peaceful, rustic setting.

The New Hampshire World Fellowship Center is a vacation center that offers a unique environment to **renew body, mind and spirit**. Families and singles of all ages quickly become part of the

World Fellowship community.

Established in 1941 as a non-profit organization, we have been called a "camp with a social conscience." Charles and Eugenia Weller, social workers with a global perspective, were founders and directors from 1941-1952. Willard and Ola Uphaus, religious leaders and educators, directed the Center from 1953-1969. Their nationally celebrated commitment to civil liberties during the McCarthy period made the Center known throughout the country.

Christoph and Kathryn Schmauch have been directors since 1970. He is an ordained minister and ecumenical educator, and she is a teacher and administrator.

For almost 60 years the World Fellowship Center has promoted peace through inter-religious and multi-cultural events, providing opportunities for people of different backgrounds to meet and dialogue on the issues of the day. The environmental beauty and its international flavor, enhanced by staff members from Europe, are more and more appreciated. We invite you to experience the unique atmosphere of the World Fellowship Center this summer.

Lodging Facilities

With Mt. Chocorua as our backdrop, our facilities run from the valley floor up the ridge of Drake Hill. All our buildings are smoke-free, and have shared bathrooms, kitchen, dining room, and living room facilities.

Lloyd Lodge which resembles a century-old New England Inn, is the main building, and houses the office, dining hall, and conference room.

The Uphaus Lodge is our most modern facility. It has 9 guest rooms and a view of Mt. Chocorua from a large bay window in the living room.

The Farm House is 200 years old and has 13 guest rooms. The Farm House Cottage, in the same area, has 6 guest rooms. They are 3/4 of a mile from the main lodge.

The Weller House is a charming 175-year old cottage with 5 guest rooms. Thoreau Cottage, just behind it, has 2 guest rooms. They are almost a mile from the main lodge.

All guest rooms are supplied with linens and blankets.

Campsites

are available for campers bringing their own tents and equipment, as well as linens, pillows and blankets. Rustic tables are provided.

Recreational Facilities

World Fellowship has frontage on Whitton Pond, the clearest water you will find anywhere. This mile-long lake, nestled in the woods, is a sanctuary for a pair of nesting loons which return every year. It offers you extraordinary experiences of Nature's summertime pleasures: swimming, canoeing, rowboating, fishing, blueberry picking.

- Basketball court • Soccer field • Nature trails
- Volleyball court • Playground - state of the art.

The **Recreation Hall**, situated by the Farm House is the site for weekend performances, with a stage, and seating accommodations for 150.

Dining

Using produce from our own organic gardens, our meals are hearty, mostly vegetarian, and served family style. The water from our 450 foot artisan well is pure, delicious, and free of chemical treatments. Breakfast is a buffet. Thursday dinner is a weekly cookout. Sunday noon we serve a traditional "Thanksgiving" turkey dinner. Sunday evening is a buffet. Meal times: 8am; 12:30pm; 6pm.

4th Annual Early Music Week

The Cryes of London - Renaissance Music of England

A program of instrumental, vocal, and consort music from Henry the VIIIth through the Restoration. There is no more accessible early music for the listener and deeply satisfying consort repertoire for the performer than that of England. The program will balance individual focus upon the viol and recorder families with choral, vocal consort, and mixed-consort workshops. If you play alternate instruments - keyboards, lute/guitar, shawm, krummhorn, dulzian, violone, violin, etc - please bring them along. Composers will include Brade, Bull, Campion, Coprario, Dowland, East, Gibbons, Henry VIII, Jenkins, Purcell, and others. There will be English Country Dancing for all, with harpsichord, fiddle, recorders, cello and caller. PLUS a 5-day Music Program for Children. Feldenkrais "awareness through movement" sessions will be offered every day.

Last summer's culmination of the week's work and play in a children's costume parade, an Elizabethan play with actors of all ages, a concert by faculty and students, and a performance of dance, evoked this comment from an enthusiastic WF participant: "There seemed to be no end to the artistry of the faculty and the enthusiasm of the participants." Plan to be with us for this exciting week.

Please note: Master Class participation costs \$50 for the week's instruction. Bring: a=440 instruments for workshops, jams, and traditional dance band; comfortable dancing shoes; choral, madrigal and ensemble scores/parts; hiking shoes.
