

A summer vacation to renew your spirit

Set amid 455 acres in New Hampshire's White Mountains,

the World Fellowship Center invites people from diverse backgrounds to exchange ideas in a peaceful, rustic setting. World Fellowship offers a unique environment for a vacation to renew body, mind and spirit.

Individuals and families of all ages quickly become part of the World Fellowship community.

Founded in 1941 as a non-profit organization, this "camp with a social conscience" has a rich history of promoting peace while considering issues of justice, freedom and peace as our society shapes itself for future generations.

Andy Davis and Andrea Walsh (pictured here with daughter Fiona) became directors in 2001. They live in the World Fellowship directors' residence and year-round office, the Cape just south of Lloyd Lodge.

Programs

WF strives to provide educational programming that will challenge, motivate, and prepare people to be active in making a better world for all.

Lectures and discussions are offered each morning or evening.

Children's Fellowship provides a 2-hour morning structure for 3-9 year-olds to play. Sun-Thurs evenings for 5-12 yr-olds.

Youth Fellowship will offer scheduled activities during the week for outings and explorations.

WF nature walks or environmental education programs presented weekly.

Lodging Facilities

With Mount Chocorua as a backdrop, our facilities extend from the valley floor up the ridge of Drake Hill. All buildings are smoke-free and have shared bathroom, kitchen, dining room, and living room facilities.

Lloyd Lodge resembles a century-old New England Inn. It houses the WF office, dining hall, conference room and 17 guest rooms.

Uphaus Lodge

is our most modern facility. It has 9 guest rooms and a view of Mount Chocorua from a large bay window in the living room.

The Farmhouse is over 200 years old and has 13 guest rooms. The Farmhouse Cottage, in the same area, has 6 guest rooms. They are 3/4 mile from Lloyd Lodge.

Weller House

is a charming 175-year old cottage with 5 guest rooms. Thoreau Cottage, just behind it, has 2 guest rooms. They are almost a mile from Lloyd Lodge.

Campground

16 rustic sites with tables for campers bringing their own tent, equipment, and sleeping bag/bedding. Latest set-up is 11pm.

Recreational Facilities

World Fellowship has frontage on Whittan Pond, the clearest water you will find anywhere. This mile-long lake, nestled in the woods, is a sanctuary for a pair of nesting loons which return every year. It offers extraordinary experiences of summertime pleasures: swimming, canoeing, rowboating, fishing, blueberry picking.

- Basketball court • Soccer field • Nature trails
- Volleyball court • Playground • Ping Pong

Whitman Recreation Hall, situated alongside the Farmhouse, is the site for weekend performances. It has a stage and seating capacity for 150.

Things to Do in Our Area

If you'd like to do more than unwind at World Fellowship, the White Mountain Region offers activities for every interest.

From Mt. Chocoma in WF's "front yard" to the Presidential Range and beyond, hiking and climbing in the Mt. Washington area is great. Nearby White Lake State Park features a sandy beach and shallow swimming area with lifeguards. Canoe down the Saco River. Storyland and Heritage NH offer amusement and state history told by costumed persons and tableaux. Climb Mt. Washington or take the Scenic Loop drive over the Kancamagus Highway, through Franconia Notch, past Cannon Mtn gondola (founding site of the World Bank and IMF), returning through Crawford Notch. North Conway offers boutiques and art galleries as well as outlets and factory stores. Enjoy strawberry picking in July, the Native American PowWow in August; fine summer theater, contra dances and festivals all summer long. The Remick Farm Museum in Tamworth shows living rural history. Howick Farm's WF bicycling guide features rides for all levels from our doorstep. A bit further afield, the Black Heritage Trail in Portsmouth, NH is fascinating history, too.
