

A summer retreat to renew your spirit

Where Global Justice meets Nature!

The World Fellowship Center offers a unique environment for a **vacation (or bring your work, if need be!) to renew body, mind and spirit.**

Founded in 1941 as a non-profit organization, this "camp with a social conscience" has a rich history of promoting peace while considering issues of justice, freedom and peace as our society shapes itself for future generations.

We invite individuals, families and groups who are interested in promoting peace and justice through education and dialogue to share meals, join conversations, take hikes, dance, and be merry in the spectacular beauty of the White Mountains of New Hampshire.

Andy Davis and Andrea Walsh
Co-Directors

Lodging Facilities

With Mt. Chocorua as a backdrop, our facilities extend from the valley floor up the ridge of Drake Hill. All buildings are smoke- and pet-free and have shared bath-room, kitchen, dining room, and living room facilities.

Lloyd Lodge

resembles a century-old New England Inn. It houses the office, dining hall, conference room. 3 *Our Best*, 7 *Regular* and 7 *Economy* rate rooms.

Uphaus Lodge

is a more modern facility, with 9 *Our Best* rate rooms and a view of Mt. Chocorua from the living room. 1/3 mile from Lloyd Lodge.

The Farmhouse Cottage

is over 200 years old and has 3 *Regular* and 3 *Economy* rate rooms. 3/4 mile from Lloyd Lodge.

Our newest building, with 5 *Our Best* rate rooms next door to Lloyd Lodge.

Weller House

is a charming 175-year old cottage with 5 *Regular* rooms. Thoreau Cottage, just behind, has 2 *Economy* rooms. Almost a mile from Lloyd Lodge.

Campground

16 rustic sites with tables for campers bringing their own tent, equipment, and sleeping bag/bedding. Latest set-up is 11pm.

Whitton Pond

World Fellowship is honored to share frontage on this enchantingly beautiful mile-long lake, nestled in the woods. Neighbors are working to put land around the pond into conservation easements, to protect its pristine nature. The pond is a sanctuary for a pair of nesting loons which returns every year. It offers extraordinary experiences of summertime pleasures: swimming, canoeing, rowboating, fishing, and wild blueberry picking. No lifeguard at any time. All water use is at your own risk. Always swim with others nearby. Children must be accompanied by an adult.

World Fellowship thrives when everyone contributes with a generous spirit. Our Dining Room Coordinator will be seeking guest volunteers for a shift on pots or serving. Also, see website for our Wish List.

What to bring? Guest rooms are supplied with linens, towels, blankets. Please bring your own beach towel! Also, bring a sweater and jacket (NH nights can be darn cold!), swim wear, sunscreen, sun hat, rain gear, flashlight, shampoo, alarm clock, bug repellent, and, if you like a big one: bath towel. If you forget something we do have items available for sale in the Lloyd Lodge office.

Bring musical instruments, arts and crafts materials, songs, and a creative spirit.

Common areas, the porches and program areas are cell-phone and computer free. Each building has a telephone for use with a calling card.
