

# A summer retreat to renew your spirit

## Where Global Justice meets Nature!

The World Fellowship Center invites individuals, families and groups who are interested in promoting peace and social justice through education and dialogue to share meals, join conversations, take hikes, dance, and be merry in the spectacular beauty of the White Mountains of New Hampshire.

We offer a unique environment for a vacation (or bring your work if you need to!) to renew body, mind and spirit.

Founded in 1941 as a non-profit organization, this "camp with a social conscience" has a rich history of promoting peace while considering issues of justice, freedom and peace as our society shapes itself for future generations.

Andrea Walsh and Andy Davis, Co-Directors

## Lodging Facilities

With Mt. Chocorua as a backdrop, our facilities extend from the valley floor up the ridge of Drake Hill. All buildings are smoke- and pet-free and have shared bathroom, kitchen, dining room, and living room facilities.

**Lloyd Lodge** resembles a century-old New England Inn. It houses the WF office, dining hall, conference room and 17 guest rooms.

**Uphaus Lodge** is our most modern facility. It has 9 guest rooms and a view of Mt. Chocorua from the living room.

**The Farmhouse Cottage** is over 200 years old has 6 guest rooms. 3/4 mile from Lloyd Lodge.

**Weller House** is a charming 175-year old cottage with 5 guest rooms. Thoreau Cottage, just behind it, has 2 guest rooms. Almost a mile from Lloyd Lodge.

## Campground

16 rustic sites with tables for campers bringing their own tent, equipment, and sleeping bag/bedding. Latest set-up is 11 pm.

## Whitton Pond

World Fellowship is honored to share frontage on this enchantingly beautiful mile-long lake, nestled in the woods. Neighbors are working to put land around the pond into conservation easements, to protect its pristine nature. The pond is a sanctuary for a pair of nesting loons which returns every year. It offers extraordinary experiences of summertime pleasures: swimming, canoeing, rowboating, fishing, and wild blueberry picking. No lifeguard at any time. All water use is at your own risk. Always swim with others nearby. Children must be accompanied by an adult.

## Recreational Facilities

- Basketball court

- Volleyball court

Schmauch Meeting Room, capacity 80, is located behind Lloyd Lodge. Daily programs are held here.

**Brief History of World Fellowship Center**

1893 First Parliament of Religions, in conjunction with World Expo, Chicago  
 1918 League of Neighbors commenced working for Racial Unity  
 1929 World Fellowship of Faiths founded, a peace organization, bringing together the League of Neighbors for common human unity; Union of East and West for cultural unity; and Fellowship of Faiths for religious unity.  
 1941 World Fellowship Center founded by Charles and Eugenia Weller (with help from Lola Maverick Lloyd and scores of contributors), in Albany, NH on 290 acres in the White Mountains. The first summer's program, "In a Time of War Prepare for Peace," featured a World Government Convention.  
 1953 Willard and Orla Uphaus became Directors in the McCarthy era. Soon after, the NH attorney general demanded that they turn over lists of guests and presenters. They refused.  
 1958 Purchase of Weller House and 30 acres.  
 1959-1960 Though 6 years of litigation never established substantive activity, U.S. Supreme Court upheld NH's contempt of court charge and Willard Uphaus spent a year in jail.  
 1970 Christoph and Kathryn (Kit) Schmauch became Directors.  
 1982 Uphaus Lodge purchased. During the Schmauchs' tenure the Center grew to include: Children's Fellowship; weekly cultural offerings; organic vegetable gardens; 135 additional acres; nature trails; Schmauch meeting room; directors' house... and more.  
 2001 Andy Davis and Andrea Walsh became Directors.

**The World Fellowship Center promotes peace and social justice through education and dialogue inspired by nature!**

Renew mind, body, and spirit while enjoying educational programs, recreational activities, and sharing progressive values. Join our tradition of vigorous, constructive participation as we strive to build community and face the defining issues of today. Experience environmental harmony by spending time in and understanding nature; see sustainable forest management at work; help grow vegetables organically; and use resources conscientiously.

The power of World Fellowship is the power to educate and then inspire, as we learn from each other and go forth to make a better world.
