

1. Step by Step [Key: Dm]

Step by step, the longest march
Can be won, can be won
Many stones can form an arch
Singly none, singly none
And by union what we will
Can be accomplished still
Drops of water turn a mill
Singly none, singly none.

We are not afraid,
We are not afraid,
We are not afraid, TODAY

Oh, deep in my heart, ...

We shall overcome,
We shall overcome,
We shall overcome, some day.

2. We Shall Overcome [Key: G]

We shall overcome,
We shall overcome,
We shall overcome, some day.

Oh, deep in my heart,
I do believe
We shall overcome, some day.

We'll walk hand in hand,
We'll walk hand in hand,
We'll walk hand in hand, some day.

Oh, deep in my heart,
I do believe
We'll walk hand in hand, some day.

We shall live in peace,
We shall live in peace,
We shall live in peace, some day.

Oh, deep in my heart, ...

We shall all be free,
We shall all be free,
We shall all be free, some day.

Oh, deep in my heart, ...

Oh, deep in my heart,
I do believe
We shall overcome, some day.

6. All You Fascists Bound to Lose

[Key: D]

I'm gonna tell you fascists
You may be surprised
The people in this world
Are getting organized
You're bound to lose
You fascists bound to lose

CHORUS

All of you fascists bound to lose:
(I said) All of you fascists bound to lose:
(Yes sir) All of you fascists bound to lose:
You're bound to lose!
You fascists: Bound to lose!

Your hatred cannot stop us
This one thing we know
Your border walls and ICE attacks
And greed has got to go
You're bound to lose
You fascists bound to lose

[CHORUS]

People of every color
Marching side by side
Following the legacy
Making good trouble with pride
You're bound to lose
You fascists: bound to lose!

[CHORUS]

We're taking to the streets
To protect what we have gained
We're not turning backward
We'll all remain unchained
You're bound to lose
You fascists bound to lose!

[CHORUS]

7. Solidarity Forever [Key: Acapella G]

8. Rich Man's House [Key: Am]

Well I, went down to the rich man's house and
I, took back what he stole from me
(Took it back)
Took back my dignity
Took back my humanity

Oh I, went down to the rich man's house and I,
took back what he stole from me
(Took it back)
Took back my dignity
(Took it back)
Took back my humanity

Now he's under my feet, under my feet, under
my feet
Ain't gonna let the system walk all over me!

Well I, went down to the ICE Office and I
Took back what they stole from me...

Now they're under my feet...

Well I, went down to the White House and I
took back what it stole from me...

Well I, went down to the border...
Well I, went down to the _____...

9. Do It Now [Key: Dm]

(to the tune of Bella Ciao!)

We need to wake up
We need to wise up
We need to open our eyes
And do it now now now
We need to build a better future
And we need to start right now

We're on a planet
That has a problem
We've got to solve it, get involved
And do it now now now
We need to build a better future
And we need to start right now

Make it greener
Make it cleaner
Make it last, make it fast
and do it now now now
We need to build a better future
And we need to start right now

No point in waiting
Or hesitating
We must get wise, take no more lies
And do it now now now
We need to build a better future
And we need to start right now

10. If I Had a Hammer [Key: C]

If I had a hammer
I'd hammer in the morning
I'd hammer in the evening
All over this land
I'd hammer out danger
I'd hammer out a warning
I'd hammer out love between my brothers
and my sisters
All over this land (oo-oo-oo-oo)

If I had a bell
I'd ring it in the morning...

If I had a song
I'd sing it in the morning...

Well, I got a hammer
And I got a bell
And I got a song to sing
All over this land
It's the hammer of justice
It's the bell of freedom
It's the song about love between my
brothers and my sisters
All over this land

11. You Took Me In [Key: D]

Well I was hungry and you took me in
Well I was cold and the coat was thin
I was hungry, I was cold and you took
me into the fold
You didn't have to, but you took me in.

Well I was blind and you took me in
I lost my way and I had no kin
I was blind, I lost my way, the path I took
led me astray
You didn't have to, but you took me in.

Bridge

You took me in, from the rain and snow
I was all alone, no place to go
In the heaven above now they surely know
You didn't have to, but you took me in.

12. America the Beautiful [Key: G]

O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain!
America! America!
God shed her grace on thee
And crown thy good with sisterhood
From sea to shining sea!

O beautiful for native lands
Where peoples' tears have shed
Yet rise again with dignity
Looking straight ahead
America! America!
God mend thine every flaw,
Restore injustice of the past,
Shared liberty in law!

Well I was tired and you took me in
I could take no more, I was lost in sin.
I was tired, I could take no more, you
made me a pallet down on your floor
You didn't have to, but you took me in.

Bridge

I was in prison and you took me in
Yes I was shackled now I'm free again
I was scorned and I was spurned, every
back to me was turned.
You didn't have to, but you took me in.

Bridge

You took me in (you took me in) You
took me in (you took me in)
You didn't have to but you took me in

O beautiful for heroes proved
In liberating strife.
Who more than self their country loved
And mercy more than life!
America! America!
May God thy gold refine
Till all success be nobleness
And every gain divine!

O beautiful for patriot dream
That sees beyond the years
Thine multicolored cities gleam
Undimmed by common fears!
America! America!
God shed their grace on thee
And crown thy good with siblinghood
From sea to shining sea!

13. Today's Battlehymn of the Republic

[Key: ____]

Our eyes have seen the glory of the future
yet to come
A union of the people where we all can live
as one
With liberty and justice, for us all not just
for some
Our truth goes marching on

Chorus

Glory, glory, we are marching
Glory, glory, we are marching
Glory, glory, we are marching
To build a land for all!

We have seen the promise of a New Deal
destiny
Where rich and poor alike enjoy the same
core dignity
Health and food at every age for all
humanity
Our truth goes marching on

CHORUS

We have learned our history, its glories
and its flaws
Squarely facing history lets all of us stand
tall
To build a better union is our duty and our
call
Our truth goes marching on

CHORUS

We stand today to raise our voice against
all cruelty
The nation we are building stands on laws
for you and me
To put all power in one hand will never
make us free
We must go marching on

CHORUS

You gotta put one foot in front of the other
And lead with love
Put one foot in front of the other
And lead with love

Don't give up hope
You're not alone
Don't you give up
Keep movin' on

Lift up your eyes

The path is there

I know you're scared
And I'm scared too
But here I am
Right next to you

15. It Could Be a Wonderful World **[Key: __]**

If we could consider each other
A neighbor, a friend, or a brother
It could be a wonderful, wonderful world
It could be a wonderful world, oh-ho
It could be a wonderful world

If each little kid could have fresh milk each
day
If all working folk had enough time to play
If each homeless soul had a good place to
stay

It could be a wonderful world, oh-ho
It could be a wonderful world

If we could consider each other
A neighbor, a friend, or a brother
It could be a wonderful, wonderful world
It could be a wonderful world, oh-ho
It could be a wonderful world

If there were no poor and the rich were
content
If strangers were welcome wherever they
went
If each of us knew what community meant
It could be a wonderful world, oh-ho
It could be a wonderful world

If we could consider each other
A neighbor, a friend, or a brother
It could be a wonderful, wonderful world
It could be a wonderful world, oh-ho
It could be a wonderful world

There are mean things happening in this land

Oh those corporate profits soar, as the poor
pay more and more

There are mean things happening in this land

Zipper in...

...there go the wealthy billionaires, debt and
suffering everywhere...

...healthcare cuts are on the rise, the sick and
poor are left to die...

...to serve the Wall Street bottom line, our
health and bodies on the line...

...democracy's our right and we won't give up
the fight...

They'll be good things happening in this land
(2x)

When the dispossessed unite, the end of
poverty's in sight

They'll be good things happening in this land
